Debtors during the Fee Period. These expense amounts are intended to cover Davis Polk's direct operating costs, which costs are not incorporated into Davis Polk's hourly billing rates. Only the clients for whom the services are actually used are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would unfairly impose additional cost upon clients who do not require extensive photocopying, delivery and other services.

4. Attached hereto as **Exhibit D** are the time records of Davis Polk for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during Fee Period.
